RESOLUTIONS ON DEATH
OF NATIONAL COMMANDER

The following resolutions have been adopted by Walford Anderson Post No. 178, American Legion, Monett, Mo.:

"It is with regret that we advise you of the untimely death of our National Commander, F. W. Galbraith. We have lost a vigorous and aggressive leader, who has been fearlessly leading the fight of the ex-soldier.

"Therefore, we desire to express our appreciation of the valuable service takings begun in behalf of the ex-service men by our late National Commander. His was a great generous soul, full of devotion to the needs of his fellowmen.

"We also desire to express our sympathies to the bereaved wife and family and cheer them with the thought that the late Commander F. W. Galbraith has been an inspiration to the lagging hopes of many weary distressed ex-service men.

"Let us emulate his success and carry on."

C. W. Schafer, who has been active in planning previous picnics, said yesterday that the annual Frisco picnic will not be held in June, this year, as has been the custom heretofore, because of the small number of employees who are now at work. It is probable that the picnic will be held sometime in September.

It is believed by some of the Frisco men that there will be a general return of employees to work shortly after July 1, when the present agreement between the roads and the employees expire.

ARCHIE ANDREWS TELLS OF
ADVENTURE WITH PANTHER

The Kiowa County Democrat, of Snyder, Okla., of the issue of June 9, contains a hair-raising experience as told by Archie Andrews, formerly of Monett, when he met a panther while on a camping trip.

The young man said that he and Brooksie Ellis left the camp at 10:30 o'clock one night to put out their trout lines at the 90 foot hole, Brooksie in the lead and Archie behind carrying a lantern. They heard the cry of a woman in distress, then a large dark form leaped at Brooksie and mowed its aim, but tore his shirt and scratched the blood out of his back.

Brooksie then ran like lightning to camp, and Archie was left to face the panther. The animal was evidently afraid of the light and did not jump at Archie, but the young man made a detour of the camp several times before he was able to get past the animal. He finally made the camp very frightened and out of breath, but unharmed.

All was done that loving parents and friends could do to restore the little sufferers to health but God saw fit to claim little Paul and Pauline as his own, so the little sparks of life were taken back to God who gave them. It was very sad to part with them, but our loss is their gain.

WHAT'S THE REASON?

Many Monett People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Perhaps the kidneys have fallen behind in their work of filtering the blood and that may be the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no more highly recommended remedy than Doan's Kidney Pills—endorsed by people all over the country and by your neighbors in Monett. Ask your neighbor.

Mrs. Ray Palmer, 505 Eighth street Monett, says: "Years ago I suffered from a bad attack of kidney trouble and also had inflammation of the bladder. Doan's Kidney Pills proved to be a great help to me at that time. I used three boxes and they relieved the inflammation and strengthened and fixed my kidneys up in good condition."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Palmer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SWARTZEL NOT GUILTY

Joplin, June 17.—A verdict of "not guilty," on the four counts against Walter L. Swartzel, was returned by the jury in federal court yesterday afternoon after a decision of almost four hours.

Swartzel was charged with stealing shoes from a freight car in Monett on May 3, 1920. The four counts against him were breaking a seal on the car, entering the car, taking the goods and possessing them.

The case was opened at the start of the afternoon session of the court, Wednesday and all the testimony was not heard until shortly before noon yesterday. It was 3:30 o'clock when the jury returned its verdict.

The case was first tried in the State Court before Judge Hobbs, and a preliminary examination was held in Monett. Mr. Swartzel denied any theft of the shoes and asserted that he found the shoes in a gunny sack in an empty coal car in the yards, and merely picked them up and started towards the yard office with them for the purpose of reporting his find and was arrested while carrying the shoes to the yard office.

In the preliminary examination Judge Hobbs discharged Mr. Swartzel and held that he was doing nothing more than his duty as yard master in taking the shoes and reporting them.

After Mr. Swartzel was discharged by Justice Hobbs, Special Officer Huff appeared before the Federal Grand Jury at Joplin, and procured an incident. One means Huff claims he had of identifying Mr. Swartzel was that he saw his legs underneath the car as he carried the sack, and that Mr. Swartzel had on khaki trousers, but, the defense showed by a number of switchmen, and other disinterested witnesses, that Mr. Swartzel wore a new pair of blue bib overalls on that day.

The government was represented by Attorneys, Carman and Coon, and Mr. Swartzel was represented by the law firm of Sizer & Gardner.
